

Sport & Spine Therapy of Marin announces the next in our 2010 Lecture Series:

Identification & Prevention of Common Injuries in Youth Throwing & Overhead Sports

Presented by

Dr. Daniel Solomon
Orthopedic Surgeon, Marin Orthopedics

Tuesday, March 23rd
7:00 - 8:00pm

- Hear about common injuries sustained in youth throwing & overhead sports
- Learn how to prevent injuries, particularly to the shoulder and elbow
- Gain important information to protect your young athlete
- Learn about the latest techniques and treatments in surgical repair
- Geared for coaches and parents of baseball, softball, football, tennis, and water polo players as well as swimmers, gymnasts & other overhead athletes

At Sport & Spine Therapy of Marin/San Anselmo
220 Greenfield Ave, San Anselmo
(Approximately 1/8 mile east of the Hub, next to Pet Cottage & Elan Fitness)

*This lecture is free and open to the public, but seating is limited.
Please RSVP by calling our office at **415-457-4454** to reserve a spot.*
