

LECTURE SERIES 2011

Sport & Spine Therapy of Marin is pleased to present our 2011 FREE Lecture Series. We've partnered with local physicians, to bring you important and timely information on medical issues that affect all of us. Our current line-up includes:

Thurs., Sept 22th: ACL Injury prevention, with *Dr. Noah Weiss, Orthopedic Surgeon (Novato Clinic)*

Athletes such as baseball /football players, basketball and soccer players, gymnasts and others, are at high risk for ACL injury. Join Dr. Noah Weiss as he provides solutions to the most common areas of weakness that predispose athletes to knee injury. In addition, the latest techniques and treatments in surgical repair will be discussed.

Wed., Oct 5th: Advances in joint replacement, with *Dr. Raymond Bonneau, Orthopedic Surgeon (Novato Clinic)*

Total joint replacement surgery can improve your quality of life! Learn about advancements in joint replacement surgery- minimally invasive and muscle-sparing techniques, gender-specific knee replacement and computer assisted surgery.

Lectures are held in either our Novato or San Anselmo clinics in the evenings from 7:00–8:00pm. Lectures are free and open to the public, but seating is limited. Please RSVP by calling our office at 415-898-1311 to reserve a spot.
