## LOCAL PHYSICAL THERAPIST PASSES NATIONAL BOARD EXAM

Becomes one of only seven board certified orthopedic physical therapists in Marin County

**San Anselmo, CA, July 6, 2009** — Sport & Spine Therapy of Marin is pleased to announce that employee Trina Mann, DPT, OCS, recently passed her national board examination in orthopedic physical therapy. The rigorous specialist certification exam is administered by the American Physical Therapy Association (APTA) and requires over 2,000 hours of clinical practice. The program was established by the APTA to provide formal recognition for physical therapists with advanced clinical knowledge, experience, and skills in a special area of practice and to assist consumers and the health care community in identifying these physical therapists.

Prior to starting at Sport and Spine Therapy of Marin, Trina received her Doctorate of Physical Therapy from Chapman University and her undergraduate degree in Kinesiology from San Francisco State University. Trina now joins a select group of physical therapists trained to provide the highest possible level of care for individuals seeking services in the area of orthopedics.
